It is gratifying to note that the young people of the village evince much interest in the reading room, and attend in goodly numbers. Not only do they peruse the interesting works of fiction, but pay attention to the more solid reading, historical and otherwise.

Much credit is due the Librarian, Mrs. Edna Paul, for the wisdom she has displayed in making these intellectual gatherings of interest and profit to all who attend.

Report of School Board

The annual school meeting was held in the Primary school house, on the evening of March 15, 1913.

The officers chosen and qualified for the coming year were Herbert W. Smith, Moderator; Charles W. Palmer, District Clerk, and Eugene C. Patridge, District Treasurer.

George Ingram was chosen Auditor, but owing to failing health he was unable to serve, and February 25 he passed to the Great Beyond. Bert P. Doe was appointed, qualified, and audited the accounts.

Christopher A. Pollard was elected a member of the School Board for three years.

It was voted to raise and appropriate the sum of \$1,326 for school purposes.

After the adjournment of the meeting the committee met and organized with Alice J. Patridge, chairman of the Board and Superintendent of schools. Daniel R. Smith was elected clerk of the Board and committee on fuel and repairs.

Christopher A. Pollard was elected committee on text books and supplies.

Mary Nixon was chosen teacher of the Grammar School and Emie O. Gleason, chosen a teacher for the Primary grades and has continued through the year. Miss Nixon resigned at the end of the fall term and Miss Gladys Weeks, of Parsonsfield, Me., was chosen as her successor.

A cabinet to correspond with the interior finish of the Grammar room has been built in the form of a corner cupboard to display the curios and geological specimens of the late James H. Fitts.

More or less repairs have been made on the piping and heating arrangements of the building, and the coming year your committee hope to preserve and brighten the outside with a coat of paint. The building has been reinsured for \$3,500 for a term of three years.

We wish to thank the parents for their efforts the past year

in regard to attendance; the records are much cleaner, the registers show fewer absences and tardinesses, and the percent. of attendance for the year is higher and better. Make it still better.

Co-operate and work with the teachers and committee, and have the children at school every day.

A company of Boy-Scouts has been organized in town and the committee invite them to see that the flag is displayed every school day, the weather permitting, not forgetting to show proper respect to the Grand Army Veterans in the display of the flag, at full mast usually, but half mast the day one of them is laid away. Their ranks are growing thinner, their numbers are fewer from year to year. Cherish them while you may, soon you will have only their memory. So let us teach and impress on the minds of these children of to-day, the men and women of the future, the fact that these men have performed noble deeds and that the country owes them a debt of gratitude. Therefore, parents, teach the children at home to be not only constant and studious scholars, but to show love for the country, loyalty to the flag, and respect for the G. A. R. men who fought for it and salute them courteously. It is their due.

Do these things at home, and you will aid the teachers in school, and your children will be better scholars and better citizens in the days to come.

CALENDAR, 1914-1915

Spring term begins April 6, 1914.

Fall term begins September 8, 1914.

Winter term begins January 4, 1915.
